Got it, thanks! Looks good Let's discuss

Louisiana School of Ministry - (LSoM) - Non-Degree Ordination Track

The District Board of Ministry will offer an avenue of completion for the non-degree ordination track of the Church of the Nazarene. The track consists of 24 courses required for ordination of a Nazarene elder. The LSoM is open for all who have registered their call to ministry with the Church of the Nazarene and enrolled in the course of Study on the Louisiana District Church of the Nazarene. All classes will be taught in English and all course work must be submitted in English.

The LSoM set up will be a combination of home/classroom learning with most of the study time spent in the student's personal course reading/assignment completion. This set up can be accommodated to any student's work schedule while also providing important face to face instructor time in a classroom setting.

The major responsibility for course work and completion will be upon the student. 7 weeks + final exam is required for course reading, assignments, and the final exam. The classroom teaching will be presented over seven weeks on Tuesdays or Thursdays from 7:30 – 9:00 pm (or a time published by the instructor) which will pull all aspects of the course together and afford the student the opportunity for discussion and questions on items necessary. All 24 modular courses are available for download from <http://www.usacanadaregion.org/modular-cos>, without charge.
